Allowable Subject Matter

Claims 5, 6, 10, 11, 13 and 16-25 are allowed.

The following is an examiner's statement of reasons for allowance:

- Prior art does not disclose or suggest the claimed "wherein the power control part, when a temperature of the fixing member drops..., supplies electric power from not the external power source but the electricity storage device" in combination with the remaining claim elements as set forth in claims 5, 6, 10, and 13.
- Prior art does not disclose or suggest the claimed "second mode in which electric power is supplied from both of the electricity storage device and the external power source" in combination with the remaining claim elements as set forth in claim 11.
- Prior art does not disclose or suggest the claimed "wherein the power control part is configured to supply electric power from the electricity storage device to the second heat generation part without supplying electric power from the external power supply to the first heat generation part" in combination with the remaining claim elements as set forth in claims 16-25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
